

Contract between ElCherre's Promotions and Dotted i Web Design and Solutions

Bob Meetin of Dotted i agrees to provide the services described in the Deliverables section to ElCherre McMillan of ElCherre's Promotions according to the fee structure designed below:

Development/Design fee : \$4500.00

Monthly fees:

\$30	Est. \$30/month for hosting paid directly to the hosting service.
\$0	Monthly maintenance - There are no monthly maintenance fees.
\$0	Sponsorship letter - Assuming we can come up with a satisfactory template, I will develop a form to auto-create the letter.

Miscellaneous:

\$30	Domain registration - It commonly costs \$20-\$30/year to register the domain, paid directly to the registrar.
\$200 - \$500	Logo - If we need to recreate or create a logo estimate \$200-\$500, paid to the designer.
Licenses	Licenses & misc fees - If we need to use any commercial addons or stock photography those fees would be extra. Nothing is anticipated at this time.
Legal fees	Legal fees will apply if ElCherre must contact an attorney to review legal policies.
Marketing	Applies if ElCherre must enlist marketing personnel or agency, payable to agency.

Payments

Payment	Optional downpayment
June 1	\$1000 - The site will not be complete but it will be minimally presentable
Aug 1	\$1000 - Project complete (maybe sooner)

Payments We can discuss a payment plan; paid off by the end of the year would be optimal.

Further development:

If you come up with new functionality in the future that will be charged at my current rate of \$55/hr.

Other optional page options (future, can be added later at additional cost)

- Gallery(ies)
- News
- Articles
- Blog
- Online classes - video/audio
- Newsletter

PayPal Business

At this time we will not employ a true eCommerce shop/application and will go with setting up PayPal payment buttons which will be linked to Elcherre's PayPal account. For anything that requires a refund or perhaps a cancellation Elcherre will craft processes backed by her policies which will specify how to make a request.
